

LITTLE BYTES from the LVPCUG

November 12, 2011

The October issue of The Bytes of Las Vegas is now posted on the www.lvpcug.org website. Newsletters—Bytes of Las Vegas—2011--10

Notes form the Novice Corner

Free Browser Add-In Hides Ads And Page Clutter

http://www.techsupportalert.com/content/free-browser-add-hides-ads-and-page-clutter.htm?utm_source=feedburner&utm_medium=email&utm_campaign=Feed%3A+gizmosbest+%28Gizmo%27s+Best-ever+Freeware%29

How to Find Help at Microsoft for Your Computer Problems

<http://www.techsupportalert.com/content/how-find-help-microsoft-your-computer-problems.htm>

Did you change your clocks, change the batteries in your smoke alarms, and blow the dust out of your computer while it was turned off ?

Do you know how to download programs and install them on your computer ?
Adobe reader is planed for the Novice SIG Sat Nov 12 at 1 PM, come and ask questions, bring a friend or relative.

For details; <http://www.lvpcug.org/sig/novice.html>
